Our community is supported by many friends. I am delighted to announce that the Foundation has successfully completed our \$6million Capital Campaign for the expansion. 224 individuals, residents, donors, Foundations, Businesses, and others in the Twin Cities community that care about our Episcopal Homes Community supported our campaign. These gifts ranged from \$25 to \$1.5mil; each gift is important and helped us expand our campus.

From our humble beginnings, it has always been the generous spirit of many which makes a difference.

E-Homes Monthly

Over and Over By: Carol McClellan

The earth repeats itself,
following a pattern so old we think
it immutable.

The sun rises, a child grows old.
Leaves fall, grass turns green
again.

Over and over
waves follow each other onto the
beach,
the moon glides over the sky,
grows into a waxy globe that sil-
vers the night,
then wanes into a sliver that slips
into darkness.
Any variations only serve to give
the patterns texture.

Over and over
the earth repeats itself,
and we who are part of the pattern
move with it.

So who is to wonder at it if I tell you
over and over
"I love you...I love you...I love you."

Fine-Dining on Campus

For residents, the Terrace Grille
is a wonderful option for fine
dining without having to put on a
coat to brave the Minnesota
elements.

The menu has been completely
reworked by our Executive
Chefs Steven Patterson and
Bradley Hinz, providing the
top-notch dining experience
that adds the final "touch" to our
cutting-edge continuum of
services here. Classic favor-
ites like our slow-roasted prime
rib and broiled walleye remain,
while new items like traditional
beef lasagna and grilled chicken
breast are sure to please.

Keep your eyes peeled for
weekly specials; remember our
always-popular kids menu will
keep your littlest relatives happy.
Gift certificates, a great idea for
your friends and family, are
available for purchase.
